

Dr. Robby Sehmi

Dr Sehmi is the founder of Finesse Dental, a thriving practice in Northwest Sydney. His practice revolves around cosmetic, implant and orthodontic treatments. Dr. Robby received top honours and graduated Dentistry from Trinity College, Dublin. He also obtained a degree in biology and chemistry from the University of Toronto. He is an early adopter of digital dentistry and heavily involved in the use of surgically guided implant placement.

Dr Sehmi has completed the Masters clinician program and full arch program from the Brener Implant institute, Sydney. He is also the lead trainer for IAS Academy (UK) lecturing on ortho-restorative dentistry.

Dr. Robby is also a Key Opinion Leader for DIO Implants Full Arch System and his practice is the Clinical Research Centre for DIO Implants a globally recognised brand in over 70 countries.
